ABOUT US

Tory Leather Company was established in 1976 as a Manufacturer of leather goods for the Equine Industry. Tory Leather products were created with strength, appearance, and durability in mind to maintain the high demands of this industry. Tory primarily uses Wickett and Craig Leather, this Leather is Vegetable Tanned and environmentally conscious. Over the years, Tory has become one of the leading strap manufacturers in both the Equine and Fashion industry due to the look and feel of the leather we use.

Our company is one of the few manufacturers left in the United States who uses American Tanned Leather and Old World Craftsmen in the making of our products.

For our Dealers:

Our Operating Hours are Mon-Thurs. 8am - 4pm and Friday 8am-12pm.

If you would like to place an order or have inquiries on products or processing please contact us via Email

toryleather@comcast.net or by phone at **(800)326-9438**.

Quality customer service has long been a mainstay of Tory Leather. Our customers have come to depend on our courteous and knowledgeable staff as well as our prompt delivery on products. We are here to help you and your business we welcome suggestions and collaborations with our dealers.

Tory Leather appreciates your business and loyalty to our brand.

Dark Harness Split Reins with Snaps

Available Colors: Dark Harness

Tory Peak Performance is for the equestrian that will accept no less than the absolute best. These products are made from a proprietary formulated Hermann Oak Leather available only from Tory Leather. All hardware is Stainless Steel and the items are bench crafted in the USA: the same as all Tory Leather products have been for more than forty years.

With a unique blend of oils, tannins, and process, our Tory Dark Hermann Oak Harness delivers the Hermann Oak feel in a brand-new color.
